Hey

What do you think about this site?

What features do you think works well?

What features do you think need to be improved or added?

Thanks for your feedback. It's your ideas that will fuel this site.

Have fun.

Email was sent to junk mail box...Big problem...you may want to perquisite that it will be in your junk mail box after you submit registration.

Add Calendar with booking availability for pros.
Guests able to make booking request for available days/weeks.

Maybe make "Guest book" into "Read or Add Reviews" or "Rating"

Simple good layout and easy navigation
