
Who is doing AASI certs this winter?

Hey all. Just wondering who is planning on going for any certs this year? Level 1,2,3, freestyle, TA?

I can't wait for the season, we're headed to A-Basin again today for a warm up sesh.

I'm planning on doing the TA riding prep days. Sometimes they're in Telluride, but I'd have to check.

What about you?
